Subject: Support our local economy

A big, expensive river cleanup may sound like a good idea. But it isn't.

I want to see the EPA support a clean river. But I also want to see the EPA support a strong Portland economy. A strong economy relies heavily on the blue-collar jobs that exist on the Willamette River.

Please do whatever you can to support the river and our health but also to make sure our jobs don't go away.

Sincerely,
